PLEASE READ:**How the races are priced this year:**

We are facing rising costs and have a number of overheads to pay for the event, therefore we have switched to a flat fee of £10 per ranger per day. This will allow you to enter as many races as you wish and will mean that everyone contributes towards the costs.

Whether you enter one race per day or 5, it's the same cost. Those not racing are welcome to attend but we cannot accept any late entries on the day.

Guidance for completion:

- Races are open to all members and Cadet Officers only.
- Please speak to your Instructor about the level of race you should enter if you are unsure as they will have to sign off your entry.
- You should only enter races at one level i.e. all led or all non-led.
- Fancy dress teams need to make sure that they have a capable leader in their team and should be considerate to what they expect the horse to 'wear'.
